ICED VIDAL BLANC
FINGER LAKES

Bright, vibrant citrus-like aromas lead to ripe lemony flavors. Refreshing crispness is balanced by luscious sweetness that carries through to a long elegantly sweet finish. This beautiful dessert wine was crafted from Vidal Blanc grapes that were frozen after they were harvested, then pressed before they thawed, yielding only the sweetest, most complex juice. It was then fermented in small lots and carefully blended into this fine dessert wine.

14. Iced Vidal Blanc
